Working on a Plan B due to Covid situation

- Finishing the questionnaire
- Hosting workshops
- Working on the first steps of the CCLL definition
- Getting the first operational plans

En la misma reunión, los miembros del consejo asesor que formarán parte de este proyecto fueron presentados y pudieron aportar su posicionamiento en lo que a resiliencia costera se refiere. La reunión finalizó concretando los próximos pasos donde se incluye los primeros viajes a las 10 ciudades costeras europeas seleccionadas. Ciudades donde se realizarán los primeros talleres para la implantación de los *Coastal City Living lab (CCLLs)* y donde Naider tendrá un papel relevante como dinamizador.
