

GUMUZIO GARAPEN ZENTROA PROJECT

Posted on 30/09/2023 by Naider

Galdakao Town Council is leading the development of Gumuzio Garapen Zentroa, a centre which it seeks to structure as a fundamental axis in the support of economic development in companies in the municipality.

It is being promoted and developed with the assistance of Naider. The work to be carried out by Naider is focused on the preparation of the strategic notebook of the future centre, combining planning and strategic and trend analysis with the contrast and participation of relevant agents of the municipality. The work is based on the current context of Galdakao and the actions already implemented previously, taking advantage of and multiplying the efforts already made.
