Entrepreneurs have an appointment at [B-Venture 2016](#), a startup investment forum that will take place at the Euskalduna Palace in Bilbao on the 18th and 19th of next October. Until June 30, entrepreneurs who have an innovative project and who are seeking support and financing to materialize it, can register on [the official website](#).

In the framework of B-Venture, entrepreneurs will have the opportunity to present their project to national and

international investors. 20 projects will be selected, based on the innovative nature and the potential route of the proposal, for a training and acceleration program prior to the meeting with the investors. Projects not selected by the committee will also have 2,000 square meters of exhibition at their disposal to reserve a stand and show their ideas to the more than 500 investors and capital funds that will meet at the event.

The forum, promoted by the newspaper El Correo, is sponsored by the Basque Government, the Provincial Council of Bizkaia, and the Bilbao City Council, and the collaboration of Elkargi and the Bilbao Chamber of Commerce.
