The Directorate General for the Environment of the European Commission summons all companies on the continent to the new edition of the [European Awards for Environment](#) to the Company. Companies that consider the protection of the environment as part of their business activity have a new appointment. Basque companies have been previously awarded, which is why we invite you to participate in this new call.

The 2019/2020 edition of the European Business Awards for the Environment - Basque Country Section is organized around the following categories:

- Management
- Product and/or service
- Process
- International business cooperation
- Business and Biodiversity

In each category, Micro and Small Companies and Medium and Large companies will be awarded. Likewise, all the applications from the Basque Country will be eligible for the Special Category "Circular Economy".

In the Basque Country it is [IHOBE](#) who is in charge of managing the applications, at its [web page](#) you can register your application and find out which projects have been awarded in other years. Registration will end on November 12 at 1:59 p.m.
