

LANBIDE SUPPORTS EMPLOYMENT ABROAD

Posted on 07/08/2014 by Naider

[Lanbide](#), the Basque Employment Service, has opened the period for Application for aid to recruit unemployed young people in practices in Basque companies abroad. This [program](#), which has an endowment of €3.05M, aims to establish the bases and regulate aid for hiring internships for young people in situations of unemployment and without previous or little work experience, in jobs related to their degree, by Basque companies.

This initiative has been launched with the aim of favoring the acquisition of professional experience and consolidating the labor insertion of unemployed young people and allowing their first access to the labor market.
