

MATERIALS FOR THE COURSE "RETHINKING URBAN POLICIES 30 YEARS LATER"

Posted on 16/12/2010 by Naider

On November 24, 25 and 26, 2010 The course "[Rethinking urban policies 30 more years later](#)" was held, directed by Joan Subirats and Josep M Montaner, and in which I participated in a round table on the [role of technologies in cities](#) ([document](#),[video](#) and [presentation](#)) and also coordinating a [session in which we used different audiovisual materials](#) (here on [document with the development of the session](#)) as an excuse to address different aspects of the urban policy agenda.

The seminar, organized by the CUIMPB-Centre Ernest Lluch with the sponsorship of the Barcelona Provincial Council, was broadcast via streaming, so both [materials](#) used by the different speakers, such as the [videos](#) of the interventions.
