

#NAIDERCOP21 (TENTH DAY): FAO CALLS TO SIMULTANEOUSLY COMBAT HUNGER AND CLIMATE CHANGE

Posted on 09/12/2015 by Naider

Tenth day of COP21.

The FAO calls on governments to take into account the fight against hunger and poverty in the new climate agreement, recalling the extreme vulnerability of millions of disadvantaged people to the consequences of climate change. They stress the need for measures that focus on agriculture, forestry and sustainable soil management.
