

NAVARRA UNDERTAKES

Posted on 27/07/2014 by Naider

Carlos Fernández Valdivielso, managing director of Sodena and head of CEIN, and Ignacio Ugalde, president of ANEL.

[CEIN](#) (European Center for Business and Innovation of Navarra) and [ANEL](#) (Social Economy Companies of Navarra) have signed a collaboration agreement with the aim of establishing a space for continuous collaboration in the field of entrepreneurship and value the importance of the Social Economy for the creation of quality employment.

Both institutions want to promote entrepreneurship in Navarra and the creation of social economy companies, making an initiative called
