

INNOBASQUE INNOVATION REPORT 2023

Posted on 09/11/2023 by Naider

The [Innobasque Innovation Report 2023](#), the first to be published since the end of 2020, illustrates with the latest statistical data the evolution of R&D&I in the Basque Country, including a comparative analysis with the EU, and introducing in this fourth edition a comparison with the USA and China PR.
