

FINANCIAL AND INVESTMENT CHALLENGES FOR CITIES ON THEIR WAY TO CLIMATE NEUTRALITY

Posted on 05/07/2024 by Naider

[NetZeroCities](#), a consortium within the EU Mission "[100 Climate Neutral and Smart Cities by 2030](#)", has published a [report that addresses the financial and investment challenges](#) cities face on their way to climate neutrality.

Its recommendations and solutions are based on the real-life experiences of three mission cities (Valladolid, Leuven and The Hague), with additional input from ten other European mission cities.

MISSION CITIES' POLICY BRIEF FINANCE AND INVESTMENT POLICY LAB

This policy brief presents policy recommendations on finance and investment formulated by cities participating in the EU Cities Mission (Mission Cities) for EU decision-makers and European national authorities. These recommendations have arisen from discussions among 13 Mission Cities during the Finance & Investment Policy Lab, facilitated by NetZeroCities.

NetZeroCities is a consortium consisting of 34 partners from 27 European countries, managing the Mission Platform for the EU Cities Mission "[100 Climate-Neutral and Smart Cities by 2030](#)".
