

SPANISH COMPANY INNOVATION REPORT

Posted on 03/03/2023 by Naider

The [Report on Innovation in Spanish Companies](#), prepared by the Chair of Innovation Studies of the Complutense University of Madrid (CESIN) and the APD, is based on a survey of more than 500 executives on strategic aspects such as business culture, the role of public aid or the impact of innovation on the business.

La innovación en la empresa española —
