

# **VIDEO: IF THE WORLD WERE 100 PEOPLE**

*Posted on 15/03/2016 by Naider*

If the world were 100 people, 14 couldn't read and write, only seven have gone to college, 71 earn less than \$10 a day and 1 earn more than \$90, while 23 are homeless. These are some of the statistics collected in this video from Good Magazine that in 2:30 minutes gives an accurate image of the world population and its inequalities.
