The Department of Economic Promotion, Rural Affairs and Territorial Balance of the Gipuzkoa Provincial Council has published the [2019 call](#) for the program to promote the competitive strengthening, sustainability and collaboration of the business fabric of Gipuzkoa. The program includes grants for projects to integrate the circular economy throughout the value chain of business activity, in the amount of €350,000 (Annex V).

We invite companies to contact NAIDER to carry out projects

to incorporate the circular economy in the company.

**The deadline for submitting applications will end on April 30,
2019 at 12:00 noon.**
