The Professor of Ethics and Political Philosophy Adela Cortina will be invested [Doctor Honoris Causa](#) of Deusto Business School, becoming the first woman who receives such a distinction from the University of Deusto.

A militant of dialogue, tolerance and pluralism, Adela Cortina is a benchmark for Naider's transformation project. A few years ago, we awarded him the [Nider Action and Commitment Award](#) in its first edition, although the honor of having his presence and power listening to his message was ours:
