A large, solid black circle that occupies the upper two-thirds of the page, serving as a background for the text.

From Naider we present our candidacy to carry out the Comprehensive Management of the Local Agenda 21 of the Municipality of Gornitz, convinced that we can contribute a lot of knowledge and experience in environmental matters and social revitalization for municipal sustainability. We hope they choose us and start working in a municipality of enviable natural value and committed to sustainability, such as Gornitz.
