The Provincial Council of Araba has entrusted NAIDER to accompany them throughout the coming months in the implementation of a series of working groups made up of agents from the business world, social, environmental and technological of the Territory.

The purpose of these groups is to contrast the main Territory challenges identified by the Provincial Council for the next decade and illuminate proposals among all the agents to face them in a collaborative.

These working groups are part of the initiative ***Araba Helburu*** which is directly led by the Deputy General of Araba and that began to take its first steps in the last quarter of last year.
