DESIGN AND IMPLEMENTATION OF AN INNOVATION CHECK PROGRAM

Posted on 30/01/2019 by Carlos Cuerda

Category: News

Naider has presented its offer of technical assistance in the design and implementation of an innovation check program promoted by the Basque Government. The team has in-depth knowledge of the Basque Science, Technology and Innovation System, as well as the very instruments with which the Basque Science, Technology and Innovation policy is endowed, and it is not for nothing that it has worked on the design, preparation and implementation of the Science, Technology and Innovation since 1998.
