Naider directs, within the framework of the University of the Basque Country (UPV/EHU) 2023 Summer Courses, the [1st Course on Local and Regional Economy](#), an opportunity to share and learn about experiences, methodologies and innovative instruments for economic promotion, technological development, business dynamisation and support for entrepreneurship implemented at the local, county or regional level.

The Summer Course will take place on **28 and 29 September** at the **Carlos Santamaría Zentroa** on the **Ibaeta** Campus in **San Sebastián**, online participation is possible, and [registration is now open](#).

The Summer Course will feature experts and academics who will show us trends and best practices in all these areas, but we will also learn first-hand about the experiences of cities and territories that are leading processes of change through the implementation of actions that enable creative dynamics of economic revitalisation.

The I Course on Place Economy is added to the II Edition of the Course "[Transformation, Regeneration and Naturalisation of the urban and industrial environment](#)", which is also directed by Naider.
