Naider is already one of the first eight [New European Bauhaus](#) partner companies in the state. This initiative brings together citizens, experts, companies and institutions to reimagine sustainable living in Europe and beyond. We thus hope to contribute to consolidating a platform for experimentation and connection, as well as to offer our clients new EU funding opportunities for innovative, sustainable and inclusive projects.

If you would like to learn more about the New European Bauhaus, please do not hesitate to contact the Naider team.
