NAIDER will be attending the [10th European Conference on Sustainable Cities and Towns](#) on 1-2 October. Organised by [ICLEI](#), the event brings together European and global leaders in urban sustainability every three to four years. [Udalsarea 2030, the Basque network of sustainable municipalities](#) is a partner of the 2024 edition. It is returning to the Danish city on the occasion of the 30th anniversary of the signing of the groundbreaking [Aalborg Charter](#). The 2016 edition, hosted in Bilbao, was the scene of the signing of a new roadmap, the [Basque Declaration](#).

At the [Aalborg Kongres & Kultur Center](#), NAIDER will be at the forefront of the [European SCORE project](#) stand, as a partner and co-leader in the implementation of the Coastal Cities Living Labs. In the coming months we will be providing more information about our presence with news and developments.
