

# NATURALIZATION OF INDUSTRIAL ESTATES

*Posted on 04/02/2019 by Naider*

Category: [News](#)

On January 31, we presented a project proposal for the Naturalization of Industrial Estates for the Call of the Biodiversity Foundation that subsidizes Climate Change Adaptation and Mitigation projects. At Naider we promote projects of this nature with the aim of making the most urbanized environments evolve towards areas of coexistence with the environment.

If you want to know more about this or other related projects, click [here](#) or contact us.
