Naturalization of Lezo Industrial Estates

On March 13, we presented a project proposal for the Naturalization of Industrial Estates for the Regional Development Agency OARSOALDEA S.A. which will be held in Lezo. At Naider we want to promote projects of this nature that make the most urbanized environments evolve towards areas of coexistence with the environment.

If you want to know more about this or other related projects, click [here](#) or contact us.
