PROVISION OF TECHNICAL ADVISORY SERVICE TO THE ENVIRONMENT AREA OF THE ORTUELLA CITY COUNCIL.

Posted on 04/03/2020 by Naider

Category: News

The NAIDER team is going to contribute all its knowledge about the environment and municipal sustainability for the provision of Environmental and Tourism Advice to the Ortuella City Council over the next few months*. We will make available to the council the different tools and expertise in the field of environment and tourism to position the municipality of Ortuella as a leader in sustainability in the Basque Country.
