The [fourth meeting of the Low Emission Zones \(LEZ\) Working Group of the Basque Network of Sustainable Municipalities Udalsarea 2030](#) took place on Wednesday 7 February, with representatives from the city councils of [Bilbao](#), [Vitoria-Gasteiz](#), [San Sebastián](#), [Getxo](#) and [Irun](#), [EUEDEL](#), the [Spanish Federation of Municipalities and Provinces FEMP](#), as well as the Department of Air Quality from the Basque Government.

The meeting was characterised by the presentation made by representatives of Valladolid City Council, who shared their experience in the establishment of their ZBE. For their part, the Basque town councils that form part of the ZBE Group had the opportunity to share the stages in the development of their ZBE projects and the necessary by-laws.
