STUDY FOR THE NATURALIZATION OF THE JAIZKIBEL – PEÑAS DE AIA ECOLOGICAL CORRIDOR

Posted on 06/08/2019 by Naider

Category: News

We present a project proposal for the Naturalization of Industrial Estates of the ecological corridor linking the protected areas of Jaizkibel and Peñas de Aia to the subsidies of the Basque Government as a project to transform the territory towards sustainability. At Naider we want to promote projects of this nature that make the most urbanized environments evolve towards areas of coexistence with the environment.
