LA RECUPERACIÓN QUE QUEREMOS

31 DE MAYO - 3 DE JUNIO

We already have a date for the National Environmental Congress. [This 15th edition](#) of CONAMA comes to celebrate the congress that could not be carried out last year due to the pandemic.

On June 31, until May 3, the congress at the IFEMA convention center in Madrid. NAIDER will be there giving to know the work carried out in the project of [Naturalization of the industrial estates of the Peñas de Aia – Jaizkibel ecological corridor](#) co-financed by the [Foundation Biodiversity](#) of the Ministry of Ecological Transition (MITECO).

In addition, we will network with multiple agents around adaptation and mitigation of climate change, circular economy, health and cities or energy transition. A stop on the road to share ideas and projects and a turning point for the emergence of new initiatives.
